Course Announcement: F-1520: National Traffic Incident Management (TIM) Awareness Training for First Responders

Date: January 11th 2015

Time: 8:00 am – Noon

Location: University Fire Department, 611 North Chandalar, Fairbanks, AK

COURSE DESCRIPTION:

The International Association of Fire Chiefs (IAFC) in partnership with the Federal Highway Administration is working to bring training needed to the fire and emergency responders regarding traffic incident management. The National Traffic Incident Management Responder Training was created by responders for responders. This course provides first responders a shared understanding of the requirements for safe, quick clearance of traffic incident scenes; prompt, reliable and open communication; and motorist and responder safeguards. First responders learn how to operate more efficiently and collectively.

This training covers TIM Fundamentals and Terminology, Notification and Scene Size-Up, Safe Vehicle Positioning, Scene Safety, Command Responsibilities, Traffic Management, Special Circumstances, Clearance and Termination, and Telecommunications.

OBJECTIVES:

Upon completion of the course, participants will be able to use a common set of practices and advance standards across all responder disciplines.

In addition, the National Traffic Incident Management Training Program equips responders with a common set of core competencies and assists them in achieving the TIM National Unified Goal of strengthening TIM programs in the areas of: Responder safety; safe, quick clearance; and prompt, reliable, and interoperable communications.
